Section 3 President's Roles and Responsibilities

The President role in the organization 3.1

In the conduct of the ongoing business of the Goddard Chamber of Commerce, the President is responsible for all business operations, including management of the assets of the Goddard Chamber of Commerce; hiring, training, promotion, discipline and termination of other employees; and for establishing and maintaining the business organization and structure to efficiently conduct the management functions of the Goddard Chamber of Commerce.

The President plans for and administers programs and events providing service in accordance with the Goddard Chamber of Commerce's stated purpose and in such a manner that optimum results are achieved in relation to the resources of the agency. He or she operates under the general direction of the Goddard Chamber of Commerce Board Chairman.

President communication/counsel to the Board 3.2

The President will provide information and counsel to the Board. Accordingly, he/she will:

- Make the Board aware of special events, relevant trends, material external and internal changes and the assumptions upon which any Board policy has previously been established.
- Submit required monitoring data in a timely, accurate and understandable fashion, directly addressing provisions of the Board policies being monitored.
- Marshal as many staff and external points of view, issues and options as needed for fully informed Board choices.
- Present information in a form that is understandable and of reasonable length.

Delegation to the President 3.3

The Board's job is generally confined to establishing top most policies, leaving implementation of Board policy to the President. All Board authority delegated to staff is delegated through the President.

The President is authorized to recommend all further policies, make all decisions, take all actions and develop all activities which are true to the Board's policies. The Board will respect the President's choices so long as the delegation continues. This does not prevent the Board from obtaining information about activities in the delegated areas.

Acting with the authority granted above, the President may not perform, allow or cause to be performed any act which is unlawful, insufficient to meet commonly accepted business and professional ethics for the "prudent person" test, in violation of funding source requirements or regulatory bodies, or contrary to explicit Board constraints on executive authority.

Should a situation arise wherein the President deems it unwise to comply with a Board policy, he/she will inform the Board of Directors. Informing is simply to guarantee no violation may be intentionally kept from the Board. It is not for the purpose of receiving approval. Board response at that time does not exempt the President from subsequent Board judgment of his/her action.

Areas of responsibility delegated to the President 3.4

In the area of human resources, the President relates both to the Board and to the staff of the Goddard Chamber of Commerce, but has ultimate responsibility to the Board.

For the Board of Directors, the President:

- Develops and/or assists the Board and recommends to the Board of Directors, specific, written, long and short-range plans for the development of Goddard Chamber of Commerce programs and services.
- Maintains appropriate relations with the Board and various Board committees and keeps them informed.
- Interprets trends in the fields of service in which Goddard Chamber of Commerce is engaged, by maintaining involvement in the professional field as a whole.
- Assists with orientation and training programs for the Board.

For the Goddard Chamber of Commerce staff, the President:

- Supervises and directs staff in the performance of their duties.
- Evaluates the performance of staff members.
- Provides overall control of and direction for the personnel of Goddard Chamber of Commerce, including active participation in or approval of personnel actions.
- Manages volunteer staff activities.

In the area of planning, the President:

- Evaluates the services being provided by Goddard Chamber of Commerce in relation to specified goals and standards, and recommends modifications, where appropriate.
- Recommends new programs, services and committees to the Board.

In the area of finance, the President:

- Prepares and/or assists the Board with Goddard Chamber of Commerce Budgets and is accountable for control of these resources once approved.
- Directs all financial operations of Goddard Chamber of Commerce.

In the area of constituent relations, the President manages all activities including coordinating Board activities in this area.

In the area of public relations, the President interprets the function of the Goddard Chamber of Commerce to the community by assisting the Board, through direct involvement and through public relations programs, including personal contact, descriptive program literature, and the media.

In the area of interagency relations, the President:

- Maintains appropriate relations with other professional and service groups in the community.
- Maintains appropriate relations with federal, state, and local government units.
- Maintains appropriate relations with other agencies in similar fields of service.

In the area of Goddard Chamber of Commerce organizational operations, the President:

- Recommends policies to the Board and/or assists the Board in the formulation of policies for the effective and economical operation of Goddard Chamber of Commerce and its programs.
- Ensures implementation of the policies adopted by the Board.
- Has chief administrative responsibility for regular reporting to various bodies.
- Carries chief staff responsibility to ensure that legal obligations of Goddard Chamber of Commerce are met.

Monitoring President Performance 3.5

Monitoring President performance is synonymous with monitoring organizational performance. The Board delegates management to the President and must have a process for ongoing monitoring of the President's performance of the delegated duties. The purpose of monitoring is to determine the degree to which Board policies are being fulfilled.

The Board will monitor President's performance by awareness of the President's job description, careful attention to all reports delivered to the Board and through an annual written evaluation of the President's job performance.

President Performance evaluation 3.6

It is the policy of Goddard Chamber of Commerce to regularly evaluate the work performance of the President.

The evaluation will be given prior to the November Board meeting. All Board members will be able to participate in the evaluation process.

Compensation of the President will be determined after completion of the evaluation. Any increase in compensation will be effective beginning with the pay period in the next calendar year.

Although the evaluation will be facilitated by the executive committee or a special committee appointed by the Board Chairman, the entire Board will participate in the evaluation process.

The process begins with a review of the current job description to determine accuracy and appropriateness. The Board next provides input to the Appraisal and Evaluation Form based upon the job description and organization objectives. Respondents will be asked to rate the director's performance against each line item on the checklist as follows:

- _____ Strongly Agree
- _____ Agree
- _____ Neutral
- _____ Disagree
- _____ Strongly Disagree

Space is allowed on each grouping of the checklist for comments and examples of why the Board member graded the performance accordingly.

The Board Chairman mails or emails the Evaluation Form to all Board members and will be returned to the home or business address of the Board Chairman. A request is sent with the evaluation form to complete within ten days. Respondents have the option of signing or not signing their evaluation forms. Constructive criticism from Board members should be specific so that appropriate corrective action may be taken by the President.

A copy of the evaluation is also mailed or emailed to the President with the request to complete a self-evaluation and recommend performance objectives for the upcoming year. The form completed by the President will not be included in the Board's compilation of results.

When the Board members have returned the evaluation forms, the Chairman of the Board makes up a composite evaluation which, by line item, indicates the number of responses for each rating. All comments are randomly listed without identifying the source of each comment.

Next, the full Board meets in Executive Session, without the President present, to review the composite evaluation and performance objectives for the upcoming year. The Board must reach consensus on each item in the checklist.

Then the Board Chairman and Board Vice Chairman meet with the President to present the full Board's conclusions about the evaluation. Should the President be in serious disagreement with part or all of the evaluation, the right to respond to the full Board must be available. Such a response should lead to a dialogue in which the problem area can be resolved in a candid and professional way.

The final agreed-upon evaluation should be signed by both the President and the Board Chairman. A copy of the evaluation is given to the President, and the original evaluation is kept on file by the Board Chairman to be passed on to the next Board Chairman. If no agreement is reached, the President must sign receipt of evaluation. A copy of the evaluation is not kept in the personnel office.

Board members will not solicit information regarding the performance President's from subordinate staff. Staff plays no role in the evaluation.

Board/ President Relationship 3.7

The Board of Directors recognizes and maintains the following guidelines in the Board's relationship with the President:

- The Board reserves the authority to establish policies, approve plans, and programs and delegate authority to the President.
- The Board will approve policies and long-range plans and programs for Goddard Chamber of Commerce, and delegate authority to the President to execute and carry out the policies, plans and programs. The President will be responsible for hiring capable personnel within the limitations of Board policy and budget constraints, determining the appropriate compensation, training, supervising, disciplining and terminating if necessary.
- Board members will refrain from individually discussing management and personnel issues with Goddard Chamber of Commerce personnel other than the President. The Board, in consultation with the President, may confer with key personnel at regular or special meetings of the Board.
- Authority for management of Goddard Chamber of Commerce will be through the Board of Directors to the President, then to other personnel. The Board will require full and timely information from the President concerning pertinent matters that relate to the management of Goddard Chamber of Commerce.

- The Board recognizes that efficient management of Goddard Chamber of Commerce can exist only through mutual understanding and cooperation between the Board and the President. The Board also recognizes that the President is accountable to the Board to show results, but the President cannot perform well and show good results if not given latitude to exercise independent judgment in executing Board policy. Therefore, the Board grants that latitude of judgment and discretion and expects full accounting of performance from the President.
- The Board recognizes its position as the employer of the President and will be responsible for a systematic annual evaluation of the President's performance. The evaluation will be for the purpose of improving the President's performance and to provide a basis for consideration of the President salary for the next year.
- The President employment with Goddard Chamber of Commerce may be terminated for cause upon written notice to the President and in accordance with the Board/ President contract in effect.

Board/ President Responsibilities 3.8

To assist the Board and President to work as a team, the following principals will guide the team members to determine responsibilities of each part of the team:

- Responsibility for determining general policy shall be entrusted to the Board. The President shall keep the Board informed regarding the progress of all important Goddard Chamber of Commerce programs.
- The Board represents the members in setting the goals and establishing the basic policies and long-range goals for Goddard Chamber of Commerce. It shall refrain from involvement in the administrative functions except to monitor and evaluate.
- The Board shall transact official business with professional staff members and other program employees only through the President.
- The President shall be responsible for administering the program in accordance with Board policies and regulations.
- The President shall be responsible for the selection and assignment of staff.
- The President and staff shall prepare, and submit for Board action, an annual program plan and budget.
- The President shall provide the Board with data and information to enable the Board to make effective decisions.
- The President shall provide the Board with periodic reports as the Board feels is necessary to allow Board members to make accurate decisions.

President Succession Policy 3.9

A policy for President succession must include two parts—the process the Board will follow to replace a retiring President, and a process to continue uninterrupted service in the event of sudden loss of the President.

Resigning or retiring President The process for replacing a resigning or retiring President will be as follows:

- The Board will determine the exact retirement/resignation date of the current President.
- The Board will determine a specific target date to bring on a new President. This target date will be flexible to allow the selected candidate some latitude in the beginning date.
- The current will President compile a list of vital instructions for an interim President and update that list annually.
- The Board will designate an interim President to serve for the time between the ending date of the current President and the beginning date of the new President. Board members are not eligible to serve as the interim President.

- The Board Chairman will nominate a Search Committee of not less than three Board members and not more than five Board members. If possible, the current President will be an ex-officio member of the Search Committee. The Board Chairman may appoint up to two additional Search Committee members from outside the Board such as former Board members, community leaders or other persons who would be a valuable resource to the committee. The Board Chairman will seek Board approval of the nominees.
- The Board will consider the need for any changes to the management structure before the search for a new President.
- The Search Committee will begin as soon as possible to:
 - 1. Update the job description for the President.
 - 2. Develop a profile of the preferred candidate.
 - 3. Determine the feasibility of utilizing a search firm to assist the Board in the search.
 - 4. Determine salary range and terms of the contract to be offered.
 - 5. Identify appropriate advertising media to be used.
 - 6. Establish a schedule to complete interviews, reference checks and final selection.
 - 7. Determine who will conduct the interviews and what questions will be asked.
 - 8. Determine the extent of staff and community involvement in the search process.
 - 9. Establish a process for communicating search progress to the Board and staff.
- The Search Committee will seek approval of the full Board for all of the above.
 - The Search Committee will recommend no more than three nor less than two candidates for review.
 - The Board will interview the final candidates and select the new President.
 - External candidates and current employees will be invited to apply for the position.
 - The Board will set dates for three-month and six-month reviews of President performance. These reviews will be informal discussions between Board Chairman, Vice Chairman and the President for the purpose of assisting the President to understand Board needs and intent, as well as affirmation of good President performance. The Board will do a formal written performance evaluation of the President after approximately one year of employment and then annually.

Sudden loss of President The process to continue uninterrupted service in the event of sudden loss of the President will be as follows:

- Annually, the Board will designate one member of the board who will assume the duties of the President if, in the judgment of the Board of Directors, that becomes necessary.
- The list will include, but not be limited to, such information as:
 - 1. A staff flow chart showing chain of command and a list of responsibilities of all management personnel. The list will also include special instructions about which staff members should be consulted for special assistance in such areas as personnel management, maintenance, finance, computer operations and other essential functions of the organization.
 - 2. Location of all bank accounts and financial records, and instructions about disbursement authority.
 - 3. Location of all vital documents, such as policies and contracts.
 - 4. Location of all computer backup files.
- If it becomes necessary to implement these emergency procedures, the Board of Directors will meet as soon as possible with the designated interim President to:
 - 1. Establish a plan for continued operation.
 - 2. Appoint the interim President.
 - Establish a schedule of Board meetings to provide adequate support for the interim President.
- As soon as possible after the designation of the interim President, the Board will implement the applicable procedures from the first half of this policy.

Section 4 Board of Directors Meetings

Conduct of Meetings 4.1

So that meetings may be conducted in the most orderly manner, discussion of agenda items will be limited to communications among Board members, between the Board and the President, and among the Board, President and those the Board and President request to make presentations.

Board Calendar 4.2

A calendar of Board meetings, membership meetings and events will be established by the Board annually before the beginning of the calendar year.

Regular Meetings 4.3

Regular meetings of the Board will be held monthly. So that Board members can schedule for the meetings well in advance, the specific dates will be established for the full year at the Board's retreat each year. The Board will make every effort to maintain those dates as Board meeting dates. Typically the Board meets on the first Thursday of the month from 11:30am to 1pm.

Special Meetings 4.4

Special meetings of the Board should be called only rarely when the business to be addressed cannot wait until the next regularly scheduled meeting. A special meeting of the Board may be called by the Chairman of the Board or by petition of a majority of Board members. A call for a special meeting will state the business to be addressed by the Board at the special meeting. Every member of the Board must be notified of the special meeting at least five days prior to the established meeting time.

Absence from meetings 4.5

When a Board member is absent from three consecutive regular meetings, and is not excused by the Board, the other members of the Board may declare the position vacant by a majority vote of the Board and will notify the absent member. The vacancy will be filled by the Board within 30 days of the declaration of vacancy. (*See meeting attendance requirement 2.25*)

Open Board Meetings 4.6

It is the policy of the Goddard Chamber of Commerce Board to hold open Board meetings using the following guidelines:

- Guests may comment to the Board only at the designated "Open Forum" section on the agenda or when the Board requests public comment.
- When dealing with confidential matters the Board may elect to go into closed session as allowable under KOMA.
- Executive Session meetings are not generally open to non-Board members or designated staff except at the invitation of the Board.

Closed Meetings 4.7

All regular meetings of the Board will be open to (members, public) except as specified below, also known as “Executive Session”. The Board will close its meetings only when:

- Discussion by the Board could harm the reputation and character of any person or entity.
- Information discussed by the Board could have an adverse legal impact on the organization's legal position if the information were public knowledge.
- Information discussed by the Board could have an adverse financial impact on the organization if the information were public knowledge.
- Information discussed by the Board deals with the President position.

To close a meeting, a motion must be made and approved by a majority of the Board stating the specific reasons for closing the meeting and a specific time must be stated to conclude the Executive Session. Business conducted in the closed session must pertain directly to the stated purpose for closing the meeting. The minutes will reflect time Executive Session begins and recorded when the session closed. If the Board needs more time for the discussion, it is reflected that more time was needed and again record the time to close the Executive Session.

Meeting Agenda Packet 4.8

All matters to be considered by the Board at the meeting will be included on the agenda and in the Board packets electronically delivered to Board members at least four days prior to the meeting. The Board may vote to waive this requirement to discuss only items on the published agenda by a majority vote of the Board.

Meeting agendas will be developed by the President and approved by the Board Chairman prior to distribution to other Board members.

All Board members will have an opportunity to request items be placed on the agenda prior to the agenda being published and distributed.

The agenda may be amended and any additions after the meeting is convened only in cases where immediate action on the item is necessary, or when the item is for Board information, and only by consensus of a majority of the Board members.

The Goddard Chamber of Commerce Board meeting agenda will approximate the following outline:

In those cases, any or all of the Board members may participate in the meeting by conference telephone.

All Board meetings in which one or more of the Board members are participating by telephone will be conducted under the following rules:

- All Board members participating in the meeting must be able to hear each other.
- All rules for conduct of meetings, including role call and quorum will be followed.

Staff Attendance at Board Meetings 4.10

Public Forum Policy for Goddard Chamber of Commerce & Request to be Heard 4.14

The Goddard Chamber of Commerce Board welcomes you to this meeting. We conduct our meetings in strict compliance with the state open meetings law. That law requires that our Board meetings be open for public observation, but it does not require that the public be allowed to participate in the meetings.

However, we value the ideas and insights of others. Therefore, it is the policy of this Board to allow ten minutes of each meeting for a forum. If you wish to speak to this Board during the public comment section of our agenda, you must submit a request in writing or the form below to the office of the President/Chief Executive Officer 48 hours preceding the Board of Directors meeting.

When the Board reaches the public comment section of the agenda, the Chairman of the Board will allow each member of the public no more than 2 minutes to speak. The Chairman of the Board will then call on those people one at a time to stand and address the Board for no more than the allocated time.

Do not expect the Board to respond at this meeting to your questions or requests for information or requests for action. The Board will note your request and respond at a later appropriate time after Board members have an opportunity to deliberate about the request.

At other times during this meeting, Board members may wish to ask for information from persons in the audience, but please refrain from comment unless the Board asks you to comment. Board members are always anxious to hear from constituents outside the meeting, but our meeting agenda is usually full and does not allow us time for a continuous open forum. Thanks for helping us conduct an open and orderly meeting.

Such dissent will be indicated by a simple "no" vote on the action.

A Board member who is absent from a meeting of the Board at which action is taken will be presumed to have concurred in the action unless the trustee will file a written dissent with the secretary of the Board within a reasonable time after learning of the action.
